

Why are we asking you to complete the form?

Regulations based on the Income Tax Act 1947 and OECD Common Reporting Standard for Common Exchange of Financial Account Information (“CRS”) require Navigator Investment Services Limited to collect and report certain information about an Account Holder’s tax residence. This will usually be where you are liable to pay income taxes. Special circumstances may cause you to be a resident elsewhere or a resident in more than one country/jurisdiction at the same time (dual residency). We may be legally obliged to give the Inland Revenue Authority of Singapore (IRAS) this information, along with information relating to your Account, which may be shared between different countries’ tax authorities.

To help us collect this information, we need you to complete the questions and return this form to us.

If your circumstances change and any of the information provided in this form becomes incorrect, please let us know by providing us with an updated self-certification form.

Who should complete the CRS Self Certification Form for Individual?

Every Account Holder should complete this form. For joint Account Holders, each individual will need to complete a separate form.

If you have provided information in relation to the United States Government Foreign Account Tax Compliance Act (FATCA), you are still required to provide additional information for the CRS as this is a separate regulation.

Where you need to self-certify on behalf of an Entity (which includes businesses, professionally managed trusts and partnerships), please complete the “CRS Self Certification Form for Entity”. Similarly, if you are a Controlling Person of an Entity, please complete the “CRS Self Certification Form for Controlling Person”. You can find these forms at singlife.com/en/common-reporting-standard.

If you are completing this form on behalf of someone else who is the Account Holder

Please tell us in what capacity you are signing in Section 3. For example, you may be (in your personal capacity) the custodian or nominee of an Account on behalf of the Account Holder, or you may be completing the form under a Power of Attorney or a legal guardian on behalf of an Account Holder who is minor.

Where to go for further information?

You may obtain more information on CRS from the OECD website at oecd.org/tax/automatic-exchange/common-reporting-standard or visit singlife.com/en/common-reporting-standard. If you have any questions on how to define your tax residency status, please speak to a professional tax adviser as we are not allowed to give tax advice.

You can find a list of definitions in the Appendix.

APPENDIX – DEFINITIONS

Note: The following selected definitions are provided to assist you with the completion of this form. If you have any questions about substantive tax principles, please contact your tax adviser or the applicable tax authority.

"Account" means Navigator investment account maintained by Navigator Investment Services Limited.

"Account Holder" means the person listed or identified as the holder of the Account. A person holding an Account for the benefit of another person as custodian, nominee, signatory, advisor, intermediary or as a legal guardian is not treated as the Account holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

"Controlling Person(s)" is the natural person(s) who exercise ultimate control over an entity. In the case of a trust, the Controlling Person(s) are the Settlor(s), Trustee(s), Protector(s) (if any), Beneficiary(ies) or Class(es) of Beneficiaries, regardless of whether any of them exercise control over the activities of the trust.

"Entity" means a legal person or legal arrangement, such as a corporation, organisation, partnership, trust or foundation. This term covers any person other than an individual (i.e. a natural person).

"TIN" means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is an unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal.
